## **LETTER OF RECOMMENDATION**

To Whom It May Concern:

*The Jessica N. Santos Foundation* (nonprofit 501c3 organization) hosted its first Memorial Walk and Family Fun Day on July 22, 2007 in memory of Jessica N. Santos, who was the innocent victim of a random drive-by shooting. The event was a huge success and it couldn't have happened without the community's support and generous contributions.

**Black Moon Groove** was one of those very generous supporters in our community. Not only did they donate to the cause, but they donated their time and talents by performing at the event. They were a pleasure to work with -- very professional and accommodating to our schedule and needs. Their music selections were outstanding and the sound quality was excellent and very audible in our outdoor carnival-like setting. They even went as far as advertising our fundraiser in their website and emails to their fans.

I got positive feedback from all those who attended and requested that they perform again at this year's event. I whole-heartedly recommend this band for any type of event. If you have any questions, please feel free to contact me by email or phone.

Sincerely,

Gisela Marin
