To Whom It May Concern:

On several occasions the Village of Tarrytown has had the privilege of being entertained by the band **“Black Moon Groove”**. The band performed enthusiastically and they demonstrated true professionalism in their approach to their music.

As the crowd varied in age from young to old, the band was able to satisfy all who attended by playing a variety of selections. Their sound was extremely clear despite performing on a street. The band members were very obliging to any requests and could not be any more cooperative with those persons in charge of the event.

We here at the Tarrytown Recreation Department have nothing but the utmost praise for **“Black Moon Groove”** and would highly recommend this band to perform for any event. If you have any questions, please feel free to contact me by telephone or email.
